

Complimentary Wellness Vet Visit Certificate

Congratulations on your new pet! This certificate will entitle you to a complimentary wellness vet visit, within one week of adoption, at one of our participating Veterinarians or during the week of your pet's next booster shot visit (if due within next 3 weeks).

PURPOSE OF YOUR VISIT

- ☐ Become established with a veterinarian
- ☐ Purchase yearly preventatives (without an additional office visit costs)
- ☐ Activate your one-month free trial of Trupanion accident and illness insurance
- ☐ Set up any future vaccination appointments
- ☐ Address any questions or concerns with a veterinarian

(In the rare event diagnostics or treatment is requested at the wellness visit, it must be authorized by a GK, for coverage)

PREPARING FOR YOUR VISIT

- ☐ Book the wellness visit appointment immediately, for best availability
- ☐ Take your adoption folder with you
- ☐ Your new pet has already had a negative fecal, but some wellness vets will provide an additional fecal exam, free of charge. If your wellness vet does not cover this and you would like an additional fecal exam completed; this will be at your own cost. In the event the result is positive, the rescue will cover this cost
